## 5. **STAFF REPORTS**

**Fire** – A New Fire Chief has been hired, Ari Delay from La Honda, who got right to work organizing fire mitigation in Crestmoor Canyon done by the Calif Conservation Corp and funded by PG&E. He is experienced in CERT and is also a Ham Operator.

**Police** – San Bruno has a new Police Chief, Ryan Johansen. Domestic violence cases are increasing, and catalytic converter thefts are still a problem. Half of the police force was held back in case of COVID 19 cases. PD is now fully staffed.

## 6. **COMMITTEE REPORTS**

**Radio Club** – Most of the meetings are postponed and the club keeps in touch with weekly Nets. Nets consist of check-ins using 3 different frequencies to check propagation and equipment.

**Red Cross** – Red Cross has been busy responding to displaced people due to fires. They feed them and find housing. Most staff are working from home and the office on Trousdale is closed. They did COVID testing in San Bruno. Blood donations are still needed.

**CERT** – CERT class in March was canceled due to COVID and plans are underway to try and organize a Zoom class possibly for the fall.

**Emergency Service Council** – Renewed JPA agreement between every jurisdiction. Mayor Medina wanted to recognize Doug and thank him for helping with the COVID testing at the LDS Church on Sneath and recognize that he supports the Wildfire camera location on Sweeny ridge.
